Speick Men Deodorant

Air-spray technology

NEW! Active deodorant protection, revitalising freshness

Speick Men Deodorant with active deodorant protection was developed specifically for men. This long-term effective deodorant refreshes in a natural manner.

Speick Men Deodorant is pH-neutral with a natural, plant-based complex of active agents; it soothes and moisturises the skin. It contains the unique harmonizing extract of the Speick plant (certified organic harvesting from the High Alps).

Speick Men Deodorant – cooling, energising freshness with a unique, extremely environmentally friendly air-spray technology.
