Intensive Cream****NEW! Speick Men Face Care**

Speick Men intensive cream was developed specifically for sensitive men's skin. The vitalizing reconstructive care with plant-based ingredients protects and soothes.

Speick Men intensive cream ensures that little extra in protection, optimum moisture care and reconstructive activation of vital functions. It contains plant-based active agents from organic farming and the harmonising extract of the Speick plant from the High Alps (certified organic harvesting).

Speick Men intensive cream can be dosed hygienically from a useful dispenser. Ideal as soothing, refreshing care after shaving.
