

## Product information

### Speick Men Pre Electric Shave Lotion

Naturally refreshing

Speick Men Pre Electric Shave Lotion is a refreshing herbal lotion ideal for applying prior to shaving with an electric razor. It smoothes the skin and straightens the stubble to ensure quick, thorough and gentle shaving.

Speick Men Pre Electric Shave Lotion contains pure fermentation alcohol, a combination of essential oils, including refreshing and astringent menthol and camphor. Invigorating citrus oils, pure high-alpine Speick plant extract (regulated biological growth and harvesting) and liquid wax nourish and refresh the skin.

Use Men Speick Pre Electric Shave Lotion for successful electric shaving every time.
