

Product information

Speick Woman Facial Care

Night Balsam

Intensive care – nutrient restorative

- Optimal restorative care made with harmonising speick plant extract.
 - Reactivates vital skin regeneration function.
 - For fresh energy and radiance, silky smooth softness and a renewed feeling of well-being.
- Restorative hippophae plant extracts combine with vitamin E and rosemary extract for outstanding free-radical capture, supporting regeneration and elasticity of the skin.
- Moisturising avocado oil and Soya oil (kbA) give supreme suppleness to the skin.
- Optimal skin moisture content with 10% Aloe Vera Gel for soothing and moisturising the skin, glycerine, special moisturising ingredients on a sugar base and a moisturising sugar beet extract.
- A blend of essential oils gives the cream its lovely fresh scent and your skin a renewed sense of well-being.

Speick Woman Facial Care Daytime Emulsifying Cream and Night Balsam – the exceptional beauty concept.

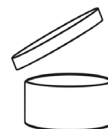

Mutually complementing beauty products, made with a special blend of active ingredients to harmonise with your skin's own formula and provide a balanced combination of day and night-time care.
